25X1	Received a request from Vincent Augliere, Staff Administrator, House Government Operations Subcommittee on Foreign Operations and Government Information, for any late information on the Middle East situation which Chairman John Moss might properly use in a TV interview this afternoon in California. After checking with DDI and OCI I called Augliere to say that Mr. Moss might take advantage of the opportunity to refute Soviet claims for credit in cooling off the Middle East crisis by

OFFICE OF LEGISLATIVE COUNSEL

,	
25X1	1. Met with Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, and obtained his signature on a secrecy agreement for a sensitive project. Briefed Slatinshek on the current Middle East situation.
25X1	2. Following my above meeting with Mr. Slatinshek he called in John J. Ford, of the Committee staff, and we discussed the problem of the "Fulbright amendment" to the Military Procurement Authorization bill which goes to the House-Senate Conference next week. Slatinshek was under the impression that the amendment would cause grave problems for the Agency's operations in Southeast Asia and asked what we proposed to do about it. I explained to him our earlier meeting with Russ Blandford and Pentagon representatives (see Journal of 3 September) with which Slatinshek was apparently unfamiliar. I went on to say we had since discussed the matter among ourselves and that our current, but perhaps not final, position was that while the amendment might cause us some trouble, it was unlikely it could be struck out of the bill entirely and as an alternative it might be amended as Blandford had suggested. Slatinshek was puzzled and obviously annoyed that the DOD had not taken exception to the Fulbright amendment, and asked that we provide him by close of business tomorrow, Friday, 18 September, any arguments which Chairman Rivers might use in seeking (a) the deletion and (b) the revision, of the Fulbright amendment.
25X1	3. Met briefly with Russ Blandford, Chief Counsel, House Armed Services Committee, and summarized the Middle East situation. Blandford will enter the hospital next week for extensive surgery and said he would probably not be back before Christmas.
25X1	Briefed Chairman John Stennis, Senate Armed Services Committee, on the highlights of the present Middle East situation. Stennis said he very much hoped to call on us for a full round-up briefing in the near future, explaining that he realized this was long overdue but his hectic recent schedule had made it quite impossible.
